**Limited Review Report**

**To The Board of Directors of  
Golden Tobacco Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Golden Tobacco Limited** ('the Company') for the quarter and half year ended September 30, 2020 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulations 33 of the SEBI (Listing, Obligations and Disclosure requirements) Regulations, 2015 ('Listing Regulations').

The statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to issue a report on this financial Statement based on our review.

2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We draw your attention to note no 4 of the standalone financial results with regard to management's assessment of, inter-alia, realisability of Inventories of Rs.1,709.92 lakhs and Financial investments of Rs. 301.53 lakhs due to COVID 19 pandemic outbreak. The management apart from considering the internal and external information up to the date of approval of these standalone results, it has also performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, it expects to recover the carrying amount of these assets.

The impact of the global health pandemic may be different from that estimated as at the date of approval of these standalone financial results. Considering the uncertainties, the management will continue to closely monitor any material changes to future economic conditions and does not anticipate any material financial or operational issues in the short term as well as on a long term basis. Our conclusion is not modified in respect of the matter.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Accounting Standards (IND AS) and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with circulars issued from time to time, including the manner in which it is to be disclosed, or that it contains any material misstatement.
