**Notes:**

- The above Financial Results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on November 14, 2018. Limited review of the same has been carried out by the statutory auditors of the Company in terms of Regulation 33 of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015.
- Though the Company's net worth had entirely eroded, it has prepared these results on a going concern basis as the management is hopeful to turn around the Company's business performance especially in the Realty business segment where one of the project's construction activities has already commenced and is expected to be completed in due course.
- The Company has sought extension of its One Time Settlement (OTS) which was arrived at in March 2018 by secured bank lenders (one of the lender is yet to provide approval) for their balance dues of Rs. 1993.05 Lakhs as on September 30, 2018 to be paid by December 31, 2018. The Company is confident of getting favorable response from the lenders. The financial impact of OTS will be given in the books of account after full payment under OTS.
- Consequent to the introduction of Goods and Service Tax (GST) with effect from 1st July, 2017, Central Excise and Value Added Tax (VAT) on cigarettes have been replaced by GST. In view of the aforesaid restructuring of indirect taxes, gross revenue from sale of manufactured goods are not comparable with the previous periods. Following additional information is being provided to facilitate such comparison :
