It is represented that the offer price should be decided in terms of Regulation 20(5) of Takeover Code 1997, and accordingly the value of the offer should be more than Rs.800/-(approx) per share. Govt mulls national policy for retail trade

PRESS TRUST OF INDIA
New Delhi, April 26

THE GOVERNMENT IS considering a national policy on retail trade with a view to ensuring orderly growth of the fast-growing sector.

The commerce and industry ministry, a government official said, has written to the department of consumer affairs to set up a task force for framing the policy. In a letter to consumer affairs, food and public distribution minister Ram Vilas Paswan, commerce and industry minister Suresh Prabhu said the task force should have representations from different stakeholders.

Retail trade is crucial for the growth of the Indian economy and the policy should be formulated to promote trade without sacrificing the interest of consumers.

The consumer affairs ministry is the nodal agency for reg-

ulating internal trade.

The ministry is already in the process of formulating guidelines on e-commerce and hence it would be appropriate for the ministry to come out with a norms for retail

trade, the official said.

The commerce ministry should also take on board state governments while framing the policy norms as retail trade is also governed by the Shops and Establishment Act.
